Appendix 3, Declaration 10, Information on production chemicals – other materials

A declaration from the supplier of the metal or plastic material is to be supplied, as part of the documentation required under R23, with applications for a licence regarding Nordic Ecolabelling of supplies for microfibre based cleaning.

This requirement applies to chemical products and additives used for the pre-treatment and surface treatment of metals (e.g. coatings) and for bonding.

Metal supplier ☐ Plastic supplier ☐
