Appendix 3, Declaration 2, Information on production chemicals - textiles

A declaration from the producer of the finished textile is to be supplied, as part of the documentation required under R10, with applications for a licence regarding Nordic Ecolabelling of supplies for microfibre based cleaning.

Applies only to wet processes during the production of textiles that form part of the microfibre product, (excluding fibre production).

Applies to all chemical additives and chemical treatments.

Product name	Function	Manufacturer/ supplier	Manufacturing process	Safety data sheet (X)

Location and date	Company
Signature	Telephone/fax
Name in block capitals	E-mail
